PROJECTS

E-Commerce Platform

Developed and maintained a small e-commerce platform for Minto Burger, integrating Menu, reservation, and user-friendly interface to streamline online orders and enhance customer experience.

Aptitude Test Application

The Aptitude Test Application is a web-based platform built using the MERN stack (MongoDB, Express.js, React, Node.js). It provides users with a seamless experience to take aptitude tests, receive instant results, and track their progress. The platform is designed with a professional and intuitive UI to enhance user engagement.

CERTIFICATIONS

- **Certified in Core Java - Coursera**
- **Certified in Python – Guvi**
- **Certified in HTML & CSS - Guvi**
- **Certified in Javascript - Guvi**
- **Certified in UX Design - Microsoft**

ACHIEVEMENTS

- In Leet Code, solving over 50 Programs in the platform.
